🌐 Harsh Nilay

Professional Summary

Analytical and results-driven B.Tech Biotechnology graduate transitioning into Data Analytics, combining strong research and problem-solving abilities with hands-on expertise in Excel, SQL, Python, and Power BI. Experienced in data cleaning, statistical analysis, visualization, dashboard development, and transforming complex datasets into actionable business insights. Driven by curiosity and a data-first mindset, with a proven ability to translate raw data into meaningful insights that support informed, data-driven decision-making and real-world problem solving.

Internship Experience

Microbiology Intern, Dr. Reddy's Laboratories Ltd.	12/2025 – 01/2026
CTO SEZ, Process Unit-01 Microbiology Department	Srikakulam District, Andhra Pradesh, India
- Supported quality control and laboratory data workflows within a process-driven pharmaceutical environment. - Collected, recorded, and analyzed laboratory data while maintaining accuracy, consistency, documentation, and compliance. - Performed environmental monitoring, including air, surface, and water testing, and systematically documented observations and results. - Applied GMP standards and structured data documentation practices to support reliable reporting and quality processes. - Interpreted microbial testing results and observations to support quality assurance and operational reporting. - Developed stronger analytical thinking, attention to detail, data interpretation, and problem-solving skills through exposure to real-world laboratory data workflows.	

Education

Bachelor of Technology (B.Tech) – Biotechnology, Lovely Professional University	07/2026
- Senior Secondary (12th): 82% - Secondary (10th): 88%	

Technical Skills

Data Analysis

Excel (Advanced), SQL, Python (Pandas, NumPy)

Tools

Jupyter Notebook, Google Sheets, Power Query, DAX

Data Visualization

Power BI, Excel Dashboards, Matplotlib, Seaborn

Core Skills

Data Cleaning, EDA, Statistical Analysis, Data Interpretation, Dashboarding, Reporting

Portfolio/Projects

Portfolio Website, harshnilaysingh.github.io/portfolio

- Developed and deployed a responsive personal portfolio website showcasing data analytics projects, technical skills, certifications, and professional achievements.
- Structured project presentations to clearly communicate analytical methodologies, visualizations, findings, and business insights.
- Created a professional digital portfolio demonstrating practical capabilities in data analytics, visualization, reporting, and analytical storytelling.

Dairy Analytics Dashboard | Power BI · Excel · SQL · Python

- Developed and deployed an interactive business analytics dashboard for KPI tracking, data visualization, trend analysis, and performance monitoring.
- Cleaned, transformed, analyzed, and visualized datasets to identify key trends, patterns, and actionable business insights.
- Applied Power BI, Excel, SQL, and Python to build data-driven reports and interactive visualizations.
- Demonstrated dashboard storytelling and analytical communication by translating complex datasets into clear, decision-ready insights.

Transferable Skills (from Biotechnology)

- Data Collection & Management
- Data Analysis & Interpretation
- Statistical Analysis
- Research & Problem Solving
- Analytical & Critical Thinking
- Data Quality & Accuracy
- Process Improvement & Optimization
- Documentation & Reporting
- Quality Assurance & GMP Compliance

Co-Curricular & Social Work

Organizer – Blood Donation Camps

- Organized and coordinated multiple blood donation camps on campus
- Managed donor registration, volunteer coordination, and on-site logistics

Lovely Professional University, in collaboration with Punjab Institute of Medical Sciences (PIMS)

- Ensured adherence to medical safety protocols and smooth execution of the event

Social Work Training

- Completed training in the field of welfare of society under the guidance of Ms. Kushant Garg.
- Exposed to different processes and demonstrated diligence, hard work, and inquisitiveness.
- Developed strong communication skills and teamwork.

05/06/2023 – 05/07/2023
Meenakshi Shiksha Samiti, Jaipur

Interests

Data Analytics

Machine Learning

Biostatistics

Healthcare Analytics

Research

Certifications & Licenses

Analyze Data to Answer Questions

United Latino Students
Association Issued Jan 2026 |
Credential ID B89CRG0N9WJ6

Ask Questions to Make Data-Driven Decisions

United Latino Students
Association Issued Jan 2026 |
Credential ID GTOMDZ9SDBKC

Accelerate Your Job Search with AI

Google Issued Feb 2026 |
